STUFF WE DO

FRESH AND FAST
CUSTOM
PRINT AND DESIGN

A IS FOR

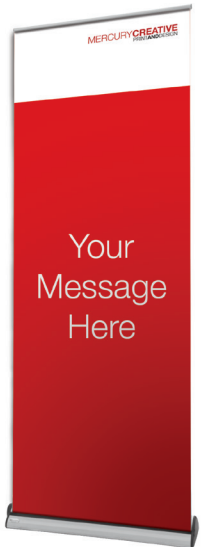

A-Frames – Free standing A shaped stand to display your prints.

Annual Reports – Reports designed to showcase how good you are. Generally in a booklet form.

Aisle Blades – Great P.O.S display item in supermarkets and retail stores.

Advertisements – Get your ads designed professionally to really get your message through.

B IS FOR

Banners – Large or small, printed on paper or vinyl.

BannerBugs – By far the best pull-up displays in the world. Built to last. A premium product. Buy the stand once change the graphic panel again and again.

Brochures – Simple yet effective as a leave behind to refresh customers memories of what you do.

Birthday Cards – Speak for themselves really, but who wouldn't want a personally designed one.

Branding – Your logo and corporate identity are business assets, they are you when you are not there. One of the single most important things in your business, but most commonly overlooked areas. We can help lift your brand and keep it consistent.

Business Cards – Leave a good first impression. This is generally the first thing a person gets to see of your business. Design and quality are paramount in reflecting how you operate.

Booklets – Who doesn't love a good book(let)? Even a small one.

C IS FOR

Canvas Prints – Printed on Fredricks artist canvas, that not only prints up beautifully, it stretches and holds on the frames fantastically well.

Calendars – Great promo items. Also helpful when you need to know the date.

Celloglazing – Available in matte or gloss. Celloglazing protects your prints and increases the aesthetic appeal (that means it looks and feels nice!).

Counter Cards – Display cards perfectly sized for your counter.

D IS FOR

Die-Cutting – Turn your regular printed item around with all kinds of cool shapes. We carry a range of standard knives or can have one custom made to suit your needs.

Dispatch – Mercury Creative offers all aspects of packing and handling for any promotion. Our in-house dispatch team makes sure that every item is packaged correctly and sent through our preferred freight suppliers. This ensures that your products are shipped safely and at the best price.

Directional Signage – To help people know where to go or how to get there.

Display Stands – Are great for conferences, trade fairs, expos and more.

Duplicate Pads – Great when you need the same stuff twice!

E IS FOR

Easy to Deal With

Event Collateral – We can produce name badges, programs wall displays and everything in between.

Envelopes – Custom printed and used to post stuff in.

F IS FOR

FAST and FRESH

Fabric Banners – Banners printed on fabric.

Floor Graphics – Are really cool especially when you run out of space on your wall (these are graphics that stick to your floor – available for most surfaces).

Flyers – An effective marketing tool to leave behind or to provide customers with some extra information.

G IS FOR

Graphic Design – We have a great team of designers on board to help with all your design needs. From developing a corporate identity through to logo and branding design. Creating brochures, advertisements, displays, signs and more. We help you broadcast your identity to the world.

H IS FOR

Hanging Mobiles – Really just posters on string.

Helpful – If you aren't sure of the right method to have something produced just ask.

We are always happy to help.

Holders – For brochures / posters / tickets available in a wide range of standard options. Or custom design and produced to suit your collateral.

I IS FOR

Inkjet Printing – Printing with ink through little jets.

Interesting people and processes.

J IS FOR

Jaffas – A sweet little treat just because we like you.

K IS FOR

Kiki – The Cube.
Decorated with our great car signage!

L IS FOR

Laminating – If you want professional looking longer lasting prints and displays we offer hot and cold lamination in a variety of finishes. Gloss, matte and non-reflective are our most popular options.

Letterhead – Another integral part of your corporate branding.

Lightbox graphics – Light up your world with a backlit display graphic.

Logo Design – The **icing** on the cake!

Loyalty Cards – To keep your customers coming back again and again.

M IS FOR

Magnets – A great promo and excellent for sticking stuff on your fridge!

Menus – So you know what to order. Really helpful in restaurants.

Mounting – We can mount your prints or posters onto a rigid backing so that they are easier to hang and last longer. Available in a variety of board weights and materials.

N IS FOR

Newsletters – Keeping you up to date with what's going on and stuff.

O IS FOR

Online Ordering – Mercury's new online ordering system allows you to login and place orders at your own convenience. Your next set of business cards is only a few clicks away. Custom templates built for your business needs and reseller accounts also available.

P IS FOR

Posters – Our full colour posters will get your business noticed. Available in a variety of sizes, materials and finishes. Posters are a perfect way to quickly and efficiently get your message out.

Point of Sale – We offer a wide range of Point of Sale materials to help you market directly to your clientele. From Counter Cards and Price Tickets to full window displays and everything to hold your prints in.

Postcards – Cards that you can put in the post!

Price Tickets – Tell you how much stuff is. Can be printed with your variable data.

Print – As you can see by this long list we print loads of stuff!

Photocopying – Large and small document copying available.

Pull Up Banner Stands – We carry a variety of pull up displays stands ranging from the disposable and cost effective to the ultimate Banner Bugs. Portable, light weight and compact making it easy to set up for business meetings conferences and other events.
